Dear Patient:

It is with mixed emotions that I announce the sale of my medical practice to Clark Wellness, PLLC which is owned jointly by Angelica Clark, PA-C and Vivian Asamoah, D.O. Many of my patients have seen Angelica Clark in the past when she worked with me at the Crouch Clinic between 2008 and 2014. I know she will provide the highest quality of care that you have come to expect from our clinic. The transition in ownership will occur on January 1, 2023. The name Crouch Clinic and the location of the clinic at 113 East Leslie St. Hamilton, Texas 76531 will not change.

It has been a great pleasure providing for your health care needs for the past 33 years. I feel comfortable leaving my patients in Angelica's capable hands. While Angelica will be the main provider of care, I will continue to work with reduced hours for the Crouch Clinic. The transition from full-time to part-time practice will permit my wife (and nurse) Leslie and me to travel and pursue our hobbies and interests while continuing to receive the enjoyment and satisfaction of interacting with our patients.

Your medical records are confidential and will continue to be under the custodianship of the Crouch Clinic. No action is required if you wish continue to be seen by the providers at the Crouch Clinic. Please notify the Crouch Clinic if you choose to establish care with a different provider. The clinic can provide you with an authorization form for you to complete and sign to release a copy of your records. A copy of your records can be transferred to another healthcare provider or released to you only with your written permission.

I have valued our relationship greatly. Thank you for your loyalty and friendship over the years. Best wishes for your future health.

Sincerely,

Mark Crouch, D.O.
